3. Copyright, usage and reproduction rights

3.1 Copyright Option 1

Donor assigns copyright to the Northern Territory Library

Are you willing to assign copyright which you own of the material described in (5) to the Northern Territory Library?

Yes No (go to Copyright Option 2 – 3.2)

By choosing yes and assigning copyright to the Northern Territory Library, I understand that:

- The Northern Territory Library may copy the material (copy or duplicate the material, or any part of it, in any form, including digital form), for its own publications and exhibitions with due acknowledgement of the creator.
- The Northern Territory Library may copy the material to place in the Library’s collection and make available to the public through the Library’s access services including the Library’s website.
- The Northern Territory Library may supply copies to its users, or allow users to make reproductions, for any purpose, commercial or non – commercial, including publication, personal use, research and/or study purposes, under terms and conditions set by the Northern Territory Library including due acknowledgement of the creator.
- The Library may make preservation or working copies to help preserve the originals.

3.2 Copyright Option 2

Donor retains Copyright and permits usage and reproduction through a Creative Commons License.

If you wish to retain your copyright in the materials are you now willing to licence that material under one of the following Creative Commons Licences?

Yes (Please select a licence from the table below)

No (go to Copyright Option 3 – 3.3)

(Full details of the Creative Commons Licences are described at <http://creativecommons.org.au> the Creative Commons Australia website. The following table is a summary of these licenses only. The Northern Territory Library recommends you read the full license terms before selecting a licence)

Tick your chosen licence	Creative Commons Licences	Explanation of License conditions:			
		Users Must:	Users May:		
		Acknowledge the creator/others when using the material	Share the Work, eg copy, distribute the material	Make Derivatives, eg remix or adapt the material	Use the material for commercial purposes
